

REACH Directive

Status Update 15 January 2019

Mueller Copper Tube Company, Inc. is pleased to announce that all product lines supplied are in conformance with the Registration, Evaluation, and Authorization of Chemicals Directive (REACH - EC 1907/2006).

To the best of our knowledge, NO Mueller Copper Tube Company, Inc. product lines contain ANY of the 43 substances on the current Authorization List included under REACH Annex XIV, last updated on 16 June 2017, 2017, or ANY of the additional materials of the one hundred ninety-seven (197) substances included on the Candidate List of Substances of Very High Concern (SVHC), last updated on 15 January 2019.

Product lines that are currently in compliance with REACH requirements, but contain materials that are foreseeably released during use, per Article 7(1) – materials which Mueller Copper Tube Company, Inc. suspects MAY be considered SVHC substances at a future date under REACH Annex XIV, as defined within Article 57 – are as follows:

<u>Product Line</u>	<u>Reason for Concern</u>	<u>Corrective Action</u>
None		

Per REACH Article 33, Mueller Copper Tube Company, Inc. continues to monitor the status of SVHC materials as published by the ECHA. As of the time of this publication, all information is believed to be accurate. For additional information regarding product compliance with the REACH Directive, please contact your local sales representative, or Mueller Streamline Co. Customer Service at 800-348-8464.

Please visit the ECHA website for additional information regarding the Authorization or SVHC Candidate Lists:
