

Electrofusion Installation Field Record

| | | | |
|-------|--|-------|--|
| Date: | | Time: | |
|-------|--|-------|--|

| | | | |
|-------------------|--|---------------|--|
| Company: | | | |
| Contact Name: | | Contact PH: # | |
| Project Name: | | | |
| Project Location: | | | |

| | | | |
|----------------------------|--|---------------------------|--|
| Installers Name: | | | |
| Installer Certified (Y/N): | | Installers Certificate #: | |
| Certificate Issued By: | | Certificate Current (Y/N) | |

| | | | |
|---------------------|--|-------------------------------|--|
| Weather Conditions: | | Outside Temperature: | |
| Jobsite Conditions: | | Water Present in Fusion Area: | |

| | | | |
|--------------------|--|------------------|--|
| Pipe Manufacturer: | | Print Line Data: | |
|--------------------|--|------------------|--|

| | | | | | |
|---|--|---------------------------------|--|-----------|--|
| Pipe Diameter (IPS/DIPS): | | Min Allowable Pipe OD: | | Pipe SDR: | |
| Actual Measured Pipe OD Side 1: | | Actual Measured Pipe OD Side 2: | | | |
| Flat Spots, Gouges or Other Pipe Surface Anomalies Present on Pipe Surface or in Fusion Zone (Y/N): | | | | | |
| Excessive Toe-In Present on Pipe Ends (Y/N): | | | | | |
| Was Toe-In Cut Back or Removed (Y/N): | | | | | |

| | | | |
|---|--|--------------|--|
| Was a Re-Rounding Device Used: (Y/N)? | | If No - Why? | |
| What Kind of Re-Rounding Device Was Used? | | | |
| What Kind of Device Was Used to Scrape the Fusion Zone? | | | |
| | | | |
| What Cleaning Solution Was Used | | | |
| What type of Device or Equipment Was Used to Align the Pipe/Relieve the Stress in the Fusion Zone/ or Restrain the Movement of the Fitting During the Fusion Process? | | | |
| | | | |

| | | | |
|--|--|---------------------------------------|--|
| Make & Model of Power Source Used: | | | |
| Was a Plug Adapter Used (Y/N)? | | Was an Extension Cord Required (Y/N)? | |
| If Yes – Provide Cord Length and Wire Gauge: | | | |

| | | | |
|---|--|------------------------------------|--|
| Was the Fitting Kept in Its Unopened, Original Packaging & Protected Until Joint Assembly (Y/N) | | | |
| Fitting Type & Size: | | Processor Mfg.: | |
| IPS/DIPS: | | Processor #: | |
| Fusion Time on Fitting: | | Cooling Time on Fitting: | |
| Side 1 Complete Fusion Time (Y/N): | | Side 2 Complete Fusion Time (Y/N): | |
| If No – List Indicated Error Code: | | If No – List Indicated Error Code: | |

| | |
|---------------|--|
| NOTES: | |
