

# Benefits & Features

## ISOTUBI-USA STAINLESS STEEL PRESS FITTINGS

- **CORROSION RESISTANT** (316L)
- M Profile
- **IPS (Iron Pipe Size)**
- Inhouse engineering for exotic testing of applications
- Used with S5 or S10 Pipe
- Origin: Barcelona, Spain
- Streamlining of inventories on stainless press by inventorying 316 versus housing both 304 & 316
- IsoTubi in compliance with the Buy America Act and meets 316 ASTM spec for corrosion resistance

## COPPERPRESS® FITTINGS

- **VISUAL LEAK BEFORE PRESS RING (VLBPR)** for visualization of proper press at point of installation
- **CTS (Copper Tube Size)**
- Consistent wall thickness
- Permanent application **PRINTING** directly on fitting for easy visual inspection for life of application for H<sub>2</sub>O and gas (large & small diameters)
- Permanent application **COLOR MARKINGS** allow visual inspection for H<sub>2</sub>O Green EPDM water applications and Gas Yellow HNBR applications
- Stamped NSF61 on EPDM
- Leak BEFORE Press System - 4 Path LBP System offers the most accurate testing results without compromising the integrity of the fitting
- Larger diameters have the fully captured spacer ring and 100% sealing element for protection at install

# ISOTUBI-USA & COPPERPRESS® FITTINGS

- Installation is **QUICK** and **SAFE**
- Less **LABOR** is needed to **SAVE** time & money
- Connections are **SECURE**
- **HIGH QUALITY**
- **SHORTER** lay lengths on tees and couplings
- **NO ANTI-FIRE** measures are needed because no burn permit is required
- Jobsite **CLEANLINESS** improved as it requires no grease or silver solder
- Work with virtually any piping system of similar materials
- **QUICK REPAIR PROCESS**, you **DO NOT** have to **SHUT DOWN** a system to maintain press fittings and system can be wet
- Addresses **LABOR SHORTAGES** for skilled workers requiring extensive training
- **COMPETITIVELY** Priced
- **EASE OF RECEIPT** of product due to identifiable packaging with receiver-friendly carton quantities
- **EASY to HANDLE**
- Most wide array of press fitting products in the market
- Easily identifiable product once installed
